FROM OF THE RECORDS OF 1863

First Lodge of Free and Accepted Masons in San Mateo County Instituted in This City.

With the approach of the general election, politics again became the burning issue of the county. Although for a time there had been prospects of harmony, and the possibility of a county election passing off with but one ticket in the field, there apparently being no local issues, and tne only national issue being that of fealty to the Union, which in this section was a foregone conclusion. The meeting of the convention of what was then known as the Union Party developed a "split", and as a consequence there were two tickets in the field, each claiming to be the "regular" ticket. Under the directions of the Union County Committee primary elections were held throughout the county August 7th, and the delegates chosen met in convention at tne Court House. At the opening of the convention N. C. Lane was chosen temporary chairman and J. W. Ackerson temporary secretary. A motion was carried that the chair appoint a committee on credentials, permanent organization and order of business. The Chairman named as this committee A. I. Eaton, J. P. Ames and M. L. Wheeler. It was at this point that the evidences of friction made their appearance. Ames declined to serve on the committee, and immediately himself and some ten or a dozen other delegates left the hall. A. Howard was named as the third member of the committee, and after a short deliberation they named the permanent officers of the convention as follows: N. C. Lane, president; A. I. Eaton and F. D. Atherton, vice presidents; J. W. Ackerson, secretary and William Durham, sargeant-at-arms. The nominees of the convention were: Member of Assembly, A. F. Green; County Judge, H. Templeton; District Attorney, H. A. Schofield; County Clerk, Thomas H. Noble; Sheriff, Joseph S. Keith; Treasurer, J. W. Ackerson; Assessor, S. H. Snyder; Tax Collector, William A. Clark; Public Administrator, R. O. Tripp; School Superintendent, W. C. Crook; Surveyor, A. S. Easton; Coroner, M. B. Angle. The nominations of the Supervisor districts were as follows: San Bruno township, F. E. Pierce; Sat Mateo township, George H. Howard; Pulgas township, J. Q. A. Thurber; Redwood township, A. Eikerenkotter; Halfmoon Bay township, J. E. Selleck. About the only resolution of special moment adopted by the convention was one which instructed the delegates to be selected to attend the legislative convention at San Francisco not to vote for James G. Denniston for State Senator under any circumstances.

On the evening of the same day, the seceeding delegates met and organized a convention, claiming the name of the "Regular Union County Convention" and placed a ticket in the field with the following nominees: Assemblyman, S. S. Stambaugh; District Attorney, W. R. Smith; County Clerk, John P. Johnson; Sheriff, James O'Callaghan; Treasurer, John Baker; Assessor, Charles Jones; Tax Collector, John G. Moore; School Superintendent, W. C. Crook (also nominee of the other convention); Surveyor, S. B. Gilbert; Coroner, Dr. M. B. Angle (also nominee of the other ticket). Nominations were made from but three of the Supervisor districts, these being as follows: Pulgas township, John McEvoy; Redwood township, John Greer; Halfmoon Bay township, L. Hill.

Notwithstanding the action of the first convention in instruction its delegates to the Legislative convention not to vote for Mr. Denniston he received the nomination for Senator.

At the election which occu.red in the first part of September, the entire first ticket named was elected, with the exception of Supervisor from the Halfmoon Bay township, where L. Hill was successful by a small majority. The total vote of the entire county was a little over 1200, and the majorities of the successful candidates ranged from 235 to 150. In the Senatorial contest, Denniston was defeated by Horace Hawes by a very considerable majority.

On the 1st of September, 1863, the first Lodge of Free and Accepted Masons to be organized in San Mateo County was instituted in this city. This Lodge, which is now known as Redwood City Lodge No. 168, was then called San Mateo Lodge, and in the dispensation under which it was formed this name appears. The Lodge continued to be known as San Mateo Lodge until after the formation of the lodge at San Mateo, when at the request of that lodge the name of Redwood City Lodge was adopted instead of the original designation, as the lodge at San Mateo desired to use the name of their own town in order to avoid confusion. The preliminary meeting, at which the arrangements for the institution of the lodge were made, was held at the hall in the Courthouse on the evening of August 28th, while the final meeting for the purpose of organization was held in the Odd Fellows Hall building, which was selected as the regular meeting place of the Lodge. The charter members of the Lodge were: F. E. Bartlett, Samuel M. Cook, John M. Allen, T. W. Lathrop, Andrew Teague, William H. Jones, James Hatch, Benjamin T. Gillum, John Johnston and William M. Jonson. The officers elected at the time of the institution of the Lodge were: F. E. Bartlett, worshipful master; Samuel M. Cook, senior warden; John M. Allen, junior warden; T. W. Lathrop, secretary; Andrew Teague, senior deacon; William H. Jones, junior deacon; Benjamin T. Gillum, Tyler. At that meeting no treasurer was selected, but on the 29th of September D. W. Aldrich was elected to that station.

On the 8th of September M. A. Parkhurst, one of the earilest settlers of this section, died at his home at Woodside, after a lingering illness. Deceased was a native of Lowell. Mass., and at the time of his death was 34 years of age. Though but a comparatively young man, he had been prominent in the affairs of the county.

CITY TAX RATE IS REVISED DOWNWARD

Council Determines Allotment of City Funds for Coming Fiscal Year.

MORE STREET WORK PLANNED

Solution of the Garbage Trouble Is Finally Provided---Will Investigate Work of Contractors.

The determining of the amount of money necessary for the conduct of municipal affairs during the coming fiscal year, and the fixing of the tax rate required to secure this sum, was the business of chief public interest before the adjourned session of the City Council last Monday evening, at which all the Trustees with the exception of Hynding were in attendance. While the tax has not been lowered as much as had been hoped, still the rate has been "revised downward" to some extent and the tax payer will be given at least some measure of relief, while several much needed public improvements will be provided for, including the installation of a modern fire alarm system. Throughout the discussion, which occupied a considerable time and involved much careful figuring, Chairman Merrill was insistent upon a more thorough curtailment of the estimate for general expenses, contending that a high tax rate would operate to discourage the establishment of desired enterprises. Trustee Rice, while favoring all reasonable economy expressed the opinion that the finances of the city should not be so curtailed as to prevent the prosecution of needed public work—especially mentioning the establishing of the fire alarm system and the care of streets and parks.

As finally determined upon, the estimated expenditure for the year are as follows:

Sewer Bonds (old town)	$ 2170 00
Water Bonds (old town)	541 00
Electric Light Bonds (old town	282 87
Municipal Improvement Bonds	6550 00
Water Bonds	2622 50
Library Fund	1260 00
General Fund	8466 12
Total	$21833 39

To meet this budget the rate of taxation required will be as fullows:

Sewer Bonds (old town)	.260
Water Bonds (old town)	.065
Electric Light Bonds (old town)	.035
Municipal Improvement (entire city)	.479
Water Extension " "	.190
Library Fund " "	.090
General Fund " "	.600
Total rate, old part of city	1.710
Total rate, new part of city	1.350

These figures show a slight reduction over the rates of last year, which were $1.745 for the old part of the city and $1.375 for the new part.

From all appearance the long pending question of the disposition of the garbage of the city will soon be satisfactorily disposed of and the authorities will be in position to enforce the provisions of the ordinance. This settlement was made possible by the offer of G. J. Liguori to dispose of the entire garbage of all kinds and to assume the direction of its collection. For this purpose Mr. Liguori has secured a portion of the marsh lands on the Frank Tannery property, where he will feed the kitchen refuse to hogs, while the remainder will be buried or used for filling. Final action was postponed until next meeting in order to give any others wishing to engage in the business an opportunity to submit offers.

Chairman Merrill presented a communication from the Sunset Magazine stating that the city's supply of the San Mateo County booklets were ready for delivery. As soon as the books are received they will be placed at the disposal of the public for mailing.

City Attorney Mansfield was directed to prepare resolutions of intention for the improvement of Main street, from the end of the present bitumen pavement to Holder street, and Stafford street to the city limits. It is the intention of the Council to improve these streets with the oiled reinforced concrete macadam.

It was announced that an agreement had been reached with the Frank Tanning Company by which they would give a right of way for the opening of Chestnut and Holder streets in exchange for a vacation of Steinberger street. The City Attorney was instructed to outline the necessary legal proceedings and the proposal will be considered at the next meeting.

Street Superintendent Dickie was instructed to make an inspection of the concrete curbing under construction or recently completed and report to the Council with a view to determining the class of work being done by the contractors.

The finance committee was given authority to have the books of the city officers for the past year experted.

A Reasonable Demand.

The demand of the Board of Trade for an improved and more modern telephone system for this city comes none too soon, and in all fairness should receive the immediate and favorable consideration of the Telephone Company. That the local office is providing as good a service with the appliances at hand no one will question, equally true, no one at all familiar with the situation will question the fact that this city is by all manner of justice entitled to a better service.

The present system is long past its date in every particular, both the arrangement and appliances of the office and the instruments in use by the subscribers being of the most antiquated pattern. In fact the only thing modern about the system is the price. Redwood City is paying the same rate as other places provided with the best of systems and receiving the most rapid and satisfactory service and should be provided with the conveniences for which it is willingly paying.

Let the Dancers Pay the Fiddler.

The great problem confronting the residents of the Bay Counties and which must be solved in the near future is the automobile question. With the vast number of machines going over the roads continually it is utterly impossible to keep the highways in proper repair. It appears improbable but it is nevertheless true that automobiles do more harm to roads than an army of teams could possibly do. The question then arises why should hundreds suffer from dust and almost impassible thoroughfares for the few who can afford machines? The only way is to tax the automobiles and divert the amount so raised into the road funds that in time we may have bituminious roads for this is the only road bed that withstands the ravages of the "joy wagons."

Had a Pipe Dream.

The editor of the San Mateo Leader must have had an evanescent dream when he wrote that the property values of the county were decreasing. This statement was made in his write up of the recent meeting of the State Board of Equalization when San Mateo County was cited to appear. The fact of the matter is that San Mateo has gained $7,250,000 in the past three years, the largest increase of any county in the state.

Running New Power Line.

The Stanislaus Power Company has a force of men employed in putting down poles for a large steel tower at the mouth of Steinberger creek. The company has already constructed its line to Mission San Jose. From that point it will be continued around the bay by way of Alviso to San Francisco. The line will conduct a strong voltage of electric current to the city. The power is secured from the Stanislaus river about 15 miles north of Angels Camp in Calavaras County. The company, which is a wealthy one, will compete with the other concerns furnishing current to the metropolis.

Beach Thompson of Fair Oaks heads the concern but it is thought the United Railroads are heavily interested as it is understood much of the current will be used by that company. A substation is to be put in at the mouth of the creek and Redwood City may have cheap current if it so desires.

Measures Are Confusing.

If you consult any advanced arithmetic, or unabridged dictionary you will be rewarded with the information that a mile in one country differs greatly from that of another country, and so confusion is likely to arise in the reader's mind. When you read that the very identical sports and games and prizes that make Lab or Day at Tanforan Park famous last year, will be repeated this year, allow no confusion to take hold of you; enjoy the day again in the same place, and meet your friends. Many people are unable to make long and sometimes dangerous excursions; even those who do not seriously consider the difficulties attended on long down peninsula or trans bay trips, prefer to stay with their acquaintances close to home; enjoy the various sports and amusements, breath the refreshing ozone, and drink in the invigorating sunshine. Music of a high class will be furnished. Prizes of rare value—one a $75 deposit on an Eilers piano, will be won by some one, also many others of great value. Games new and novel will be introduced. Be one of the many thousands at Tanforan Park on Labor Day.

Coburn Appeal Submitted.

Last Monday George C. Ross argued the Loren Coburn guardianship matter before the Appellate court in San Francisco. About a year ago Judge Buck declared Loren Coburn, the well known Pescadero capitalist incompetent. Attorneys Treat and Archer Kincaid, who appeared for the aged millionaire, took an appeal to the higher court. Some months ago lengthy briefs were filed with the Appellate court and Monday was the day set for the argument. Mr. Ross consumed nearly two hours in his address that was terse and to the point. The court appeared to take his view of the case and intimated that a verdict would be rendered along the lines of his argument. Mr. Ross appeared for the respondent A. Coburn, who brought the suit to declare his uncle incompetent, and for Carl Coburn the guardian of Loren Coburn whom Judge Buck appointed when he made the order declaring Loren Coburn non compos ments. A decision is expected to be handed down within a month and it is awaited with considerable interest by the people of Pescadero and other parts of the county.

Painter Found Dead

Thomas A. Monahan, a painter, employed in Burlingame, was found dead in bed at his home in Clarendon road Wednesdaw morning. Monahan, who was 39 years of age, was at work Tuesday and did not complain of feeling ill. It is supposed that death was caused by heart failure. Deputy Coroner J. E. Elder is investigating the case. The deceased was well known in this city having worked at his trade for George Leary off and on for several years. He also resided at Menlo Park for some years. Mr. Monahan had a nice home at Burlingame which he erected three year ago, shortly after his marriage to a native daughter of San Francisco.

The sad accident last Sunday at San Mateo which took away the young life of William B. Spellman has caused wide spread sorrow at his home in Colma. The young man went bathing on the beach and ventured beyond his depth and as he could not swim he sank before assistance could be rendered. Deceased was a son of Mr. and Mrs. Thomas Spellman of Colma, aged 19 years. He was a promising youth and had he lived would have made his mark in the world. The bereaved mother and father have the sympathy of every one in their sad loss.

George Lovie and George Kreiss have returned from Redands, where they attended the Great Council of the Redmen. They speak in the highest terms of the hospitality of the people of that favored locality.

Judge Rebukes Prisoner's Friends.

Learning that threats against the life of District Attorney Joseph J. Bullock had been made by Thomas Thompson, a well known resident of VistagGrande. Superior Judge Buck on Monday in open court took cognizance of the fact and issued a warning that prosecution will follow if threats against county authorities are made.

Thompson is the brother-in-law of Frank J. Ressegule, the contractor, who was found guilty of assault twith intent to murder. As the jury recommended that extreme mercy be shown to the defendant Ressegule was released on probation.

The judge warned him that his brother-in-law had threatened "to get" Bullock, and that the court would hold him responsible for any further threats made.

Ressegule was found guilty of having assaulted Louis Heidinger, a San Francisco chaffeur, while the two were speeding in an auto down the Colma highway.

Heidinger was brutally beaten and Ressegule was captured in Napa where he lived under an assumed name.

A Satisfied Audience.

The best performance seen in Redwood for a long time was the verdict of all those who saw the Neuman-Foltz show in "The American" at the Alhambra Thursday evening. The American is a play new to the local stage and it contains a very interesting story, and in the hands of this most excellent company gave great satisfaction. Special mention is due every member of the company as their acting in the different parts was very nar perfect. Mr. Neuman and Miss Foltz who have been seen here before renewed their former success and were favorites from the start. Mr. Neuman as the American was all that could be desired giving a finished and intelligent performance. Dainty little Miss Foltz always a favorite with her audience was excellent as Lady Eastmore, never missing one opportunity that the part afforded her. Space forbids mentioning the other members of the company personally but all in all it is the most well balanced company that thas appeared here for some time. The costuming and scenic effects were very pretty. Every one should take advantage of the opportunity of seeing this fine company during their short stay in our city. Saturday matinee Divorcons, Saturday night, Camille and Sunday night Sapho. Mr. Neuman and Miss Foltz appear to advantage in these well-known plays, especially Miss Foltz, who is said to excel in Camille and Sapho and wears some very handsome gowns. No doubt this excelint company will be greeted by big houses for the remainder of its engagement. Tickets are on sale at Ryan's Drug store.
